Texas.gov Enterprise Technology Solutions

Empowering state & local government to do **MORE** with less

Why Texas.gov?

Leverage Existing Agreement

Implement TxPay Counter now. Any state agency, unit of Texas local government, or licensing entity is eligible to use TxPay Counter under the Texas.gov master agreement with the State of Texas. Just sign a customer agreement, complete the onboarding forms, receive training, and schedule a go-live date.

No Out-of-pocket Costs

There are no upfront costs or appropriated funds required to implement TxPay Counter. Texas.gov solutions use a self-funded model where users pay a nominal fee to complete their transaction online.

Marketing & Promotion

Texas.gov helps your agency raise awareness and drive adoption for your online services with a targeted marketing plan or ad-hoc consultation.

About Texas.gov

Texas.gov helps state and local government entities web-enable their services. We operate without tax funds through a partnership between the State and Texas NICUSA, LLC, an Austin-based company. Texas NICUSA is a subsidiary of NIC, the nation's leading provider of official government portals, online services, and secure payment processing solutions. We partner with 200+ publicly-funded state and local government agencies to provide 1,000+ online and over-the-counter services that process secure payments and safeguard constituent data. Since inception in 2000, the Texas.gov program has securely processed 201 million+ online transactions worth \$30 billion+ on behalf of our government partners.
