Empowering State and Local Government

Texas.gov empowers state and local government to streamline business processes, improve cost savings, and operate more efficiently. By partnering with Texas.gov, you can leverage our *infrastructure, resources, shared services, statewide visibility, unique funding models, and master agreement with the State* to offer online services to your constituents.

The following legal citations enable your organization to take advantage of the Texas.gov master agreement.

★ TEXAS GOVERNMENT CODE - TITLE 10. GENERAL GOVERNMENT, SUBTITLE B. INFORMATION AND PLANNING, Chapter 2054. INFORMATION RESOURCES:

- Sec. 2054.111 USE OF TEXASONLINE PROJECT – outlines how TexasOnline may be used

Serving the State

As the official website of the State of Texas, Texas.gov is a completely self-funded program. It is provided without appropriated funds per Legislative requirements and is funded, instead, on a per-transaction basis.

Texas.gov offers an easy, convenient way for Texans to access online government services such as Vehicle Registration Renewal, Driver License Renewal, Birth Certificate Orders, and more.

Texas.gov Enterprise Services

- ★ **Application Development** – We build constituent-focused online application that feature plain language, 100% accessibility, and a mobile-optimized design.
